Regulation / Weight

【World Championship/Kumite】

1. Measurement method

Participants should wear karate-gi pants and short-sleeved T-shirts.

We treat weight as official weight by subtracting 1kg from the measured value.

Measurement with other than the clothes specified above, the measured value shall be the official weight.

Measurement with only underwear is not allowed.

2. Weight measurement related penalties

If the measured value is **more than $\pm 3\text{kg}$** different from the reported value in the application form, "**Chui 1**" will be applied before actual matches. If there is a difference of **more than $\pm 5\text{kg}$** , "**Genten 1**" will be applied before actual matches.

Any further difference and for following situations result in **disqualification**.

- 1) If you are not able to show up and measure your weight at planned date and time.
- 2) If you exceed the weight limit for the tournament with weight categories.

The above rules are applied for all the participants for World Championship Kumite tournament, including heavy weight class.

【International Goodwill tournament】

As for the tournaments with weight categories, participants should strictly keep their weight to be within the specification.
